

For the communities we serve, Halton Healthcare provides compassionate, quality, community hospital care as part of an integrated system. Halton Healthcare is an innovative, growing organization with three progressive community hospitals, providing quality health services to more than 350,000 Halton residents. Halton Healthcare is Accredited with Exemplary Standing by Accreditation Canada.

Surgical Assistants – Milton District Hospital

Milton District Hospital is looking for **surgical assistants** to join our growing and highly collegial OR teams.

Milton District Hospital (MDH) is part of Halton Healthcare and provides exemplary community-based care. Our surgical services include General Surgery, Orthopedics, Plastics, Obstetrics & Gynaecology, Urology and ENT. Billing is OHIP fee-for-service for daytime elective surgical assisting. After-hours and weekend on-call shifts are further supported by on-call-stipend (HOCC). MDH is a state-of-the-art community hospital with a busy surgical service. It is easily accessible from most areas of the GTA as well as Hamilton and communities to the west. The ideal candidate will hold certification from the CFPC or RCPSC, as well as an independent practice license with the CPSO. Skills and experience in surgical assisting are preferred but orientation and training will be provided. New graduates are welcome.

Interested physicians should send their CV to: **Dr. Nathan Wong, Chief of Family Medicine,** Milton District Hospital: PhysicianRecruitment@haltonhealthcare.com

We thank all applicants for their submissions; however, only qualified candidates will be contacted to attend a pre-application interview. All appointments are subject to an impact analysis and Board approval.
