Rheumatologist - Full Time - Oakville Trafalgar Memorial Hospital

The Department of Medicine at Halton Healthcare, Oakville Site, is seeking a full time Rheumatologist.

At Halton Healthcare you will thrive in a health care culture and environment that embraces inclusion, high performance and flexibility with 'exemplary patient care, always' at the heart of everything we do.

We empower our people to be the very best they can be so they can make a difference for our patients and the communities we serve. It's an exciting time to join Halton Healthcare with the completion of our major redevelopment projects. Oakville Trafalgar Memorial Hospital opened its doors in December 2015, Milton District Hospital completed a significant addition to its clinical space in October 2017, and Georgetown Hospital is developing plans to undertake a significant redevelopment.

We endeavour to recruit individuals who are exceptional in their chosen profession and who exemplify our mission, vision and values of compassion, accountability, respect.

Candidates must have an independent license or be eligible for an independent license with the College of Physicians & Surgeons of Ontario (CPSO). Candidates in Fellowship training or who have Fellowship in Internal Medicine and Rheumatology are preferred.

Expressions of interest will be accepted until position is filled and must include an up-to-date curriculum vitae, a description of previous specialty and any subspecialty training, and previous work experience.

For further information or to submit your curriculum vitae, contact Dr. Laurence Chau, Chief of Medicine, via Email to: PhysicianRecruitment@haltonhealthcare.com

We thank all applicants for their submissions; however, only qualified candidates will be contacted to attend a pre-application interview. All appointments are subject to an impact analysis and Board approval.
